Hi Ken and Chip,

Attached is a draft of the health consultation (HC) we talked about for Willamette Cove, along with a (rough) draft of the summary factsheet that needs to still undergo some revision. I am working with our graphics people to have a more solid draft by Monday. Once I do, I will send you the updated version and a draft press release. Some of the changes you see in this HC are as a result of our conversation earlier. Please make your changes/edits/comments in track changes by COB Tuesday. Sorry for the short turnaround time, but thanks in advance.

Thanks,

Karen
